Supervisor Thompson stated that there were a number of property owners present from San Gregorio who wished to be heard in reference to the building of concrete culverts on the county road and which were damaging their prpoerty. ## WHERE MINUTES COUNT.

In the matter of contending with fires, the question of time is one of supreme importance. Frequently the loss of but a few minutes has converted what might have been but an insignificant blaze into a disastrous conflagration, involving the destruction of thousands of dollars worth of property.

For this reason, the question of providing the fire department with modern equipment is one which especially interests the citizens of the residential districts of a city. Particularly is this true in a community such as that of Redwood City, where residences are scattered over a considerably extended territory.

Nor is this a question which concerns the owner of property alone, he is not the only one liable to suffer loss. In fact, the man of small means, who is obliged to rent, is more apt, in case of a fire of any consequence, to be the more serious sufferer. To him the loss of furniture and household belongings, the little of this worlds goods which he may possess, is apt to prove the most serious disaster.

These are the people most interested in providing the fire department with apparatus capable of rapid propulsion and ready at all times for immediate use. To these classes, the question of the small immediate outlay is a matter of little moment in comparison with the manifest advantages to be gained.

## Auto Collides With Tree.

Earl Morris, a driver for the Alco garage of San Francisco, drove an auto taxi into a telegraph pole in front to the J. B. Coryell place on the highway at Atherton Thursday afternoon. The occupants of the taxi, Miss Grace Brown and Harry Splivalo, were thrown out. Miss Brown was taken to the Hulings sanitarium. The young woman was severely shaken up but suffered no serious injury. She left the institution late yesterday afternoon for her home in San Francisco. The taxi was badly demolished.

## Refused Wife Her Property.

Thos. R. Zimmerman was adjudged in contempt of court yesterday afternoon in the Superior court by Judge Buck. The court made an order some weeks ago directing Zimmerman to deliver certain personal property to his wife. Mrs. Zimmerman sent an expressman for the property but Zimmerman would not give it up. He was ordered by the court to deliver the property or go to jail. Mr. Zimmerman was also delinquent in his payment of alimony to the amount of $30 but the court gave him further time to pay.

## Robbed by Roommate.

John Bren was robbed of $8 in a local hotel on Thursday evening. He went to bed with a roommate named George Wagner. Early in the morning he noticed his companion had left the room and incidentally his purse had also disappeared. Bren secured the services of Nightwatchman Collins and caught Wagner as he was about to board the north bound train. He was arrested and brought to the county jail. The sum of $7.50 was found on his person. Wagner was charged with the crime.

## Services at St. Peters.

The services at St. Peters Church Sunday morning will be as follows: Holy Communion, 7:30; Sunday school, 10; matins and sermon at 11 o'clock. In the evening at 7:30 there will be vesper service and sermon.

Bishop Nichols will visit St. Peter's Sunday, June 20th, at the 11 o'clock service and will administer Confirmation and Holy Communion. In the evening, at 7:30, he will preach at Belmont.

### New Millbrae School Trustee

Superintendent of Schools Roy W. Cloud has appointed Stephen E. Throwell trustee of the Millbrae school district in place of Simon K. Fraser, who has removed from the district. Mr. Throwell is the owner of the water system of Lomita Park and is the plumbing inspector of the City of San Mateo. He is a thorough business man, well-known and liked in the district. No better selection could have been made.

### COAST SIDE EDUCATOR SECURES NEW POSITION

Arthur M. Croop, formerly principal of the Halfmoon Bay high school, and up until a short time ago a member of the county board of education, has been appointed as the principal of the Ukiah high school, having an enrollment of 200 pupils. Mr. Croop has already left for the scene of his new duties. Mr. Croop had quite a troublesome time at Halfmoon Bay, being at swords points at times with the trustees and also mixed up in litigation. He is a graduate of Stanford and an educator of more than ordinary ability.

### Lyons Held to Answer.

Jack Lyons, arrested two weeks ago for receiving stolen property, had his preliminary examination before Judge J. F. Davis of San Bruno on Tuesday and was held over to appear before the Superior Court. His bond was fixed at $2000. The charge against Lyons is that he received from Margaret Costello, a pair of valuable cuff buttons and a gold bracelet that the women took from the Veranda hotel at South San Francisco.

### SAN MATEO AND BURLINGAME.

A storm of protest has developed in Lomita Park against the action of the school trustees in dismissing Miss Pearl D. Graham and Miss Isablle Mergenthaler, teachers in the school. Petitions are being circulated to have the teachers reinstated. The trustees of the school are S. K. Fraser, chairman; F. A. McNulty and Peter Gouzenes. McNulty and Gouzenes have agreed to reconsider their action but chairman Fraser is obdurate, and taking the attitude that the dismissals were for the good of the school and has resigned from the board.

Traveling at a high rate of speed down the state highway a few minutes before midnight Tuesday night, a big seven-possenger motor car crashed into the rear of a dirt wagon near Beresford. Despite the excessive speed of the automobile, none of the occupants of either the auto or the wagon received as much as a scratch. After making a full investigation of the accident, Traffic Officer Michal Brown gave it as his opinion that both the occupants of the auto and the driver of the wagon had been imbibing too freely.

The accident happened at Farallone, where the machine plunged over an embankment. George Mercel of San Francisco, the driver of the machine was almost instantly killed and a Mrs. Marshall, also of San Francisco, received a fracture of the skull which is expected to prove fatal. Three other passengers in the car also received serious hurts. Investigations by Coroner Brooke indicate that over indulgence in drinking by the party was the cause of the accident.

# LOCAL NEWS NOTES OF MENLO PARK

## Intererting Paragraphs of General Interest Gathered About the Town

Mrs. Josephine Quilfelt, nee Larrocou, has taken a cottage in Menlo Park for the summer months. She has closed her home in the city.

The improvements and additions to the Carl Raiss home at Atherton are about completed and the family is going to move in today. The grounds are being beautified so that the attractive home will be one that a king might covet.

Miss Mary Eyre has gone to Santa Barbara to spend a few weeks with her niece, Mrs. Lloyd Tevis, nee Girving. The Tevises have a beautiful summer home in the south and one also at Burlingame. They bide their time between the two places.

Mrs. Percy Moore and Miss Allejandra Macondray are visiting Mr. and Mrs. Edward Pringle at their home in Menlo Park. Mrs. Moore has rented her attractive apartments in the City to Mrs. Arthur Wilder of Honolulu.

Daniel Doyle is very sick at the Peninsula hospital at Palo Alto, suffering from the effects a severe cold. His case is quite alarming, but the attending physician assures his relatives that he will recover.

The hobby horses have come to town to the great delight of the kiddies. The management is very courteous and considerate and is making it pleasant for all those who patronize the merry-go around. The proprietor will fold his tent and leave tomorrow.

An all night ball will take place in Triumph hall this evening. The proceeds of the affair will go towards a fund to provide suits and equipment for the local baseball team. The object is a worthy one and for that reason the dance should be well attended. Good music is to be provided.

Mrs. W. D. Neilson, daughter of the late Senator Felton, is spending the summer at Wake Robin Inn, occupying the "Humming Bird' cottage. She is joined week-ends by her brother and sister-in-law, Mr. and Mrs. Charles H. Felton Jr. Mr. Felton is erecting a very beautiful summer home adjoining Wake Robin property.

The highway from Holy Cross cemetery to the home of J. Henry Meyer has been completed. This stretch of road from the county highway at Duff and Doyle's to Mr. Merer's residence is one of the most substantial and best constructed roads on the peninsula. Motorists will feel a thrill of pleasure in going over it.

The Deming place was sold by Sheriff Sheehan at the courthouse in Redwood City on Monday to Stella Lovegrove for $11,685.70, the amount of the judgment she secured in the Superior Court against the property some weeks ago. As she will not receive an absolute deed to the realty for one year, there will be no improvements made on the property until after the year shall have elapsed.

Mrs. Mary Byrnes, sister of Michael Maloney, the popular clerk for Duff & Doyle, passed away in San Francisco on Monday last. The death of the young woman was a most pathetic one. She was married 18 months and leaves an infant boy only a few days old. Mrs. Byrnes was well known in Menlo Park, having often visited her brother here. Mr. Maloney has the sympathy of the community in his sad bereavement.

Howard Crane, only son of Mr. and Mrs. E. J. Crane, graduated with honors from the Santa Clara University on Thursday. Besides his parents a number of the young man's friends from here attended the graduation. Mr. Crane graduated from the department of chemistry of the university. After a short vacation he will take up some work along the lines of his profession.

Miss Grace Hawley, who was born in Mayfield and raised in Menlo Park, will be united in marriage to John Albert Ericson on June 19. The young couple will make their home in Portland. Miss Hawley has taught for several years in the grammar school at Alviso. She received her certificate from the county board of education of this county. Miss Hawley is an unusually pretty young woman with a host of admirers in this county. She often spends her summers with the Misses McEvoys of this place.

John Morey, C. T. Maloney and Edward Lawler, will give a dance in Duff & Doyle hall every Tuesday evening. These socials are given for the pleasure of the young folks who find very little amusement in town and and are for the purpose of teaching all the new dances. The first social will take place on next Tuesday. A large number of dancers should attend the initial affair. The admission will be only 50 cents and music is to be furnished by Copeland and Manaton of Palo Alto.

Little James Keeney Walker, the infant son of Mr. and Mrs. T. C. Walker, will be baptized this evening by Father Jerome B. Hannigan in the Church of the Nativity. The happy event is going to be duly observed by theproud parents, who have issued a large number of invitations to a luncheon to take place this evening at the pretty home of the Walkers at Atherton. About fifty guests will be present, many of whom will come from San Francisco. Elaborate preparations are being made for the occasion. While young Walker may not fully comprehend all the fuss that will be made about him, yet he will be showered with numerous compliments and with a number of valuable gifts. He is named after his grandfather, the late James Ward Keeney, at one time one of the most noted physicians in San Francisco. The boy is unusually handsome. His mother is accounted the most beautiful woman in California.

James Douglas Morton Bruce, an old resident of Menlo Park, passed away at the Lane hospital in San Francisco last Saturday as he was about to return home. While suffering from an incurable malady, the immediate cause of death was from an embolism. Death came as he was bidding farewell to Dr. Willbur. He sank to his chair and expired in a few moments. The funeral took place in San Francisco last Monday. Interment was in Cypress Lawn cemetery. Mr. Bruce was a native of Glascow, Scotland, aged 59 years. He was a graduate of the University of Glascow and as a young man came to America. He arrived in California about 30 years ago and for 27 years lived in Menlo Park. While employed at the Stanford University just after the earthquake he met with an accident which finally resulted in his death. Mr. Bruce's grandfather, the late Col. Morton Bruce, served with the British army during the muting in India and earned distinguished honor. He was a member of the Royal family of India. Before coming to America Mr. Bruce married Eliza Tolmie of Edinburgh, who survives him. Mr. Bruce was a man of intellectuality and was a lover of the beautiful. He is survived by his wife and five children: Mrs. Guy Manson of Fresno, Mrs. Margaret Lathan of San Francisco, Miss Dorothy and Miss Beatrice Bruce and James Bruce.

Yesterday afternoon the residents of Menlo Heights and Atherton and their friends were treated to a novel and clever entertainment on the closing day of the Las Lomitas public school. A charming little place in the foothills west of Menlo Park and Atherton, where the children are happy and well mannered as well as studious under the careful supervision of Miss Gertrude M. Cross and Miss Bertha Kuck. It is a thriving school, as the attendanc is close to the half hundred mark, and bids fair to increase next term.

In the charming flowered invitations sent out, the visitors were bidden to be present at a novel "Flower Garden." The songs and music were original compositions by the popular and gifted Miss Cross. Her talents are not in the least limited, she also designed and made the costumes worn by the various "Flowers." These were remarkably like their namesakes of the field and gardens, and produced a charming effect. The program was as follows:—

1. Flower Garden,

a Introductory song by the Gardener, (Lucile Pedersen)

b Song of Welcome by the Thistles, (Clyde Higgins, Perry Pond, Jaimie Sharp, Raymond Washburn, Bob Woods, Parry Bates, Donald Harlow, Merril Bates.)

c Poppy Song and Dance. (Mathilde Sturzenegger, Frances Stent, Catherine Paterson, Florence Enos, Harriet Mirragou.)

d Sweet Peas Song and Dance, (Mary Weston, Grace Hamilton, Ruth Bowen.)

f Wild Rose, Polka, (Joan Rothschildd.)

g Four Leaved Clovers, (Dudley Pederson, Earnest Stent, Adam Paterson, David Paterson, Raymond Gonzales.)

* * *

The Menlo Park public school closed its work for the year yesterday. One of the most beautiful and impressive graduating exercises ever held in the town was given in the assembly hall of the school in honor of the graduating class, and indeed the school and the parents of the children who were graduated have reason to be proud of the work done by this class. Select readings from Longfellow, Eugene Field, Whitman and James Whitcomb Riley were given by Mary Feely, and a most extraordinary class prophecy was read by Louis Beltramo. Andrew Lawler treated the school and its visitors to a paper on "Hannibal of Carthage," and a masterly effort it was.

Mr. Clark, principal of the school, announced with deep regret that Violet Cochrane, who was to have read the "Class will," was unable to appear with her classmates, being confined to her bad with illness.

O. M. Carrington of Redwood City sang several songs in Mr. Carrington's own way, responding to an encore with "I Love You California."

Mrs. McDermott (Leila Francis) who is an old time friend of the school, favored it with two of her own instrumental compositions and as an encore, "Come to California," her 1915 invitation song.

The graduating address was delivered by Dr. H. M. Bland of the State Normal School at San Jose. His theme was the story of "The Holy Grail" with his own interpretation of it.

The lesson he brought forth from this old time story must be an inspiratio. for these young people as long as they remember their school days.

Those attending the graduating exercises were much interested in the exhibits of drawing and clay modeling that were shown in Miss Burke's room. It is hard for grown people to understand how tiny hands can do such intricate work. A little clay bicycle seen in the collection is so small and daintily put together that Dr. Bland said it reminded him of the works of a watch.

The work of Miss Burke in the school is a source of great satisfaction to the patrons of the school.

In his address Dr. Bland paid glowing tribute to the work of the public schools of the State, referring especially to the public school of Menlo Park. He said in upon the people of the community part that the influence for good from such instruction as the Menlo Park school, is so great that it can never be measured.

Those graduated by the school this year were Mary L. Feely, Andrew Lawler, Violet Cochrane, C. Leo Walsh, and Louis Beltramo, of whom four were graduated honorably without examination.

As a little token of regard, the class presented their teacher, Mr. Clark, with a beautiful scarf pin.

## City Council Puts Question of Adequate Fire Equipment Up to the People

The regular session of the city council Monday evening was unique in at least one respect, for the first time in a number of months the subject of street improvement received but scant mention. With all of the trustees present, this question, which has long been the chief motif for protracted sessions and extended discussions, seemed to have been entirely forgotten and the time of the trustees was devoted to the consideration of matters of general city business.

C. Bloomes, manager of the street carnival aggregation which exhibited in this city last summer, appeared before the council with a request that some concessions be made in the license charges exacted. Upon the showing that the entertainment was to be continued for thre days, and that all attractions were of a legitimate amusement nature, it was decided to grant the request, the license for the three days being fixed at a total of $50.

Geo. H Irving presented a request that the westerly portions of Brewster, Hopkins and Ashley avenues, in Redwood Highlands section, be abandoned as public streets. Upon the showing that the proposed closing of these streets was for the purpose of securing more direct thoroughfares leading to the proposed suburban residence tract which is to be opened by the Irving Company, a resolution was adopted declaring the intention of the council to close the streets mentioned.

A somewhat numerously signed petition was presented requesting that steps be taken to secure the abatement of unsanitary conditions alleged to exist on the property of Mrs. Densmore on Grant avenue. That conditions on the property were far from satisfactory from an esthetic or sanitary standpoint was admitted, but the solving of the problem of their abatement was found to be a more serious matter. After it had been found impossible to secure some practicable suggestion for improvement, the petition was referred to Chairman Merrill, who will endeavor to induce the owner of the property to take some action for improvement.

Thomas P. Melody of Palo Alto applied for and was granted a license under the ordinance governing dealers in junk and second hand goods.

Acting upon a report of Superintendent Dickey that owners of property were inclined to ignore the provisions of the ordinance requiring the removal of weeds from sidewalks, City Attorney Mansfield and Marshal Coleman were directed to take legal steps to compel obedience of the law and if necessary to resort to criminal prosecutions.

Chairman Tuchsen of the street committee was appointed a committee of one to represent this city at the Good Roads Convention to be held in San Francisco next September.

Clerk Plump presented a communication from officials of the Southern Pacific Railway, indicating a readiness to comply with the requests of the council for more adequate protection at street crossings. In the same connection, Chairman Merrill reported that he had been assured that in the near future steps would be taken by the railway management to improve the approaches of streets crossing the tracks.

The ordinance calling a special election for Tuesday, June 29th, at which will be submitted the question of incurring a bonded indebtedness of $7,500, for the purpose of purchasing an automobile chemical fire apparatus, was given its final reading and adopted. Under the provision of the ordinance, if the issuance of the bonds is sanctioned, the fire department will be equipped with apparatus capable of affording adequate fire protection to the entire city. The ordinance, which designates the voting precincts and polling places, is published in full in the advertising columns of this issue of the Times-Gazette.

The lesson he brought forth from this old time story must be an inspiratio. for these young people as long as they remember their school days.

Those attending the graduating exercises were much interested in the exhibits of drawing and clay modeling that were shown in Miss Burke's room. It is hard for grown people to understand how tiny hands can do such intricate work. A little clay bicycle seen in the collection is so small and daintily put together that Dr. Bland said it reminded him of the works of a watch.

The work of Miss Burke in the school is a source of great satisfaction to the patrons of the school.

In his address Dr. Bland paid glowing tribute to the work of the public schools of the State, referring especially to the public school of Menlo Park. He said in upon the people of the community part that the influence for good from such instruction as the Menlo Park school, is so great that it can never be measured.

Those graduated by the school this year were Mary L. Feely, Andrew Lawler, Violet Cochrane, C. Leo Walsh, and Louis Beltramo, of whom four were graduated honorably without examination.

As a little token of regard, the class presented their teacher, Mr. Clark, with a beautiful scarf pin.

City Clerk Plump was directed to advertise for bids for the privilege of removing garbage within the city limits. This action was taken under the provisions of the garbage ordinance which for several years, has been a dead letter on the books of the city, and will confer a monopoly right upon the successful bidder.

Trustee Deleau urged that some action be taken to secure more care in the details of the construction of buildings with a view to protection against fire and with the object of lessening the danger to firemen when fires do occur. After considerable discussion, the fire committee and City Attorney Mansfield were requested to draft an ordinance regulating the construction of buildings and providing for inspection. While it is not designed to generally limit the class of buildings to be erected, it is probable that a fire limit district will be made a portion of the ordinance, in which restrictions will be required.

Street Superintenden Dickey reported that considerable damage has been caused to several streets by the hauling of heavy loaded vehicles. After some discussion, City Attorney Mansfield was instructed to draft and submit to the street committee, an ordinance regulating the width of tires to be used on all vehicles traversing city streets.

## RAPID PROGRESS IS MADE ON HIGHWAY CONSTRUCTION

Work on all the roads that are being improved under the bond issue is now in full blast. County Surveyor Neuman is a very busy man these days watching the progress of the work and keeping a close tab on the various contractors. To show the enormous task he has before him it may be stated that the expenditures under the bond issue on the highway of the county from May 31 to June 5 were as follows: Material used $4,950. average number of men employed daily 455, average number of horses at work daily 365, steam rollers employed 10, motor trucks at work 7. Work is being pushed on the following roads. Portola road, Menlo Park to Folger's, Clark & Henery is finishing the first section of this road with asphaltic pavement. The entire road from Folger's to San Gregorio is under four contractors and work on the highway is being rushed. The coast road from Colma to San Gregorio, through Edgemar, San Pedro, Montana, and Halfmoon Bay is being constructed by six different contractors. A portion of the road frm Belmont to Crystal Springs thoroughfare is being surfaced with oil macadam. It is believed by Mr. Neuman that all the roads will be completed by the fall when San Mateo county may boast of having the best chain of highways in the state. Thanks to a generous public who furnishedi the funds, to an effecient county surveyor and to a careful and wise board of supervisors.
